THOUGHT(S) FOR THE SEASON

.....The planet does not need more successful people. But it does desperately need more peacemakers, healers, restorers, storytellers, and lovers...It needs people of moral courage willing to join the fight to make the world habitable and humane. And these qualities have little to do with success as we have defined it.

.....David Orr (American professor and environmental advocate, present day)

..... A friend is one of the nicest things you can have, and one of the best things you can be.

...Douglas Pagels (American writer, present day)

.....Saying thank you is more than good manners. It is good spirituality.

.....Alfred Painter

.....A smile is a curve that can set a lot of things straight.

.....Unknown

.....Love is the only thing that increases as you give it to others..

.....Unknown

.....Choose your career with care, so that you may really follow the vocation that God has destined for you. No day should pass without some prayer to this end. Often repeat with St. Paul: “Lord, what will you have me do?”

.....St. John Bosco (Italian founder of the Salesians, 19th century)
