**Sir Knights:**

Marv's Musings

Thank you for the opportunity to serve as your Faithful Navigator for this fraternal year. I hope I can live up to your expectations.

By the way, what are your expectations? Please let me know. If you have no expectations, then . . . . .

Thirty-six S.K.'s – including their families - attended the installation picnic at Camp Columbus this past month – a good time was had by all – Thank you.

Five Worthy Sirs attended the Corporate Communion at St. Stephens last month – what was it Churchill was supposed to have said, 'never have so few done so much for so many'?

I expect to have some measurable objectives for this year to share with you at the July business meeting – you all will just have to figure out how to meet them. 😊

Let's work on that this year – what do you say?

Are you satisfied with the work your elected officials are doing for you?

[We] The people are the masters of both the Congress and the courts – not to overthrow the Constitution, but to overthrow the men who pervert it -  
Abraham Lincoln

**Marv Gabalski – Faithful Navigator**

## CAPTAIN'S CORNER

“Now is the time for all good men to come to the aid of their country.” Do you remember learning to type on a manual typewriter? This was the sentence that most of us used to practice typing, but now it has a more profound meaning. We now have 6 states that recognize homosexual marriage in some form. As I was reading over the 10 Commandments, I noticed the lack of a command that said thou shalt not be a Republican or thou shalt not be a Democrat. I did read a command that says thou shalt honor thy Father and Mother. As I read this command I had to read the translation to make sure it was not a general statement like ‘honor your parent/parents’, which we could then stretch to mean you can honor your father and father or you can honor your mother and sperm donor. Nope there is no ambiguity in this, or any of God’s commands. We are to honor, and thus take God at his word, one Father (man) and one Mother (woman). I don’t believe we should shrink from our beliefs whether we are talking to our children, our co-workers, or our elected officials. We are to form our moral conscience and then act on it. Tomorrow when you focus on your reflection in the mirror as you shave and brush your teeth; answer the question as if Jesus was asking you. “Is it time for all good men to come to the aid of their country?”

For those of you who want a Christian perspective on the daily news (that you won’t see on the TV or in the paper) check out Onenewsnow Editor [contact@afa.net] at American Family Association.

Please keep us informed on any changes in your contact information so we can keep you informed.

Peace
