KNIGHTS OF COLUMBUS INSURANCE

WHAT ARE YOU BUYING?

Sometimes, we can have the wrong impression of what we are spending our hard-earned money for.

For example you don't spend 50c to buy a paper: you spend that money to buy news. You don't buy glasses: you buy vision. You don't buy an awning; you buy shade.

See what I mean? The same holds true for life insurance. You're not just buying life insurance in case you die.

You buy an education for your children, or a life income for your wife, or a pension for the old man you will eventually be. (It's been said that difference between an "old man" and an "elderly gentleman is money!") You can buy peace of mind, happiness, and more than a little contentment when you buy life insurance.

Call me today to arrange an appointment. Your future is my concern. John Ross. @ 386-0145

Congratulations
