## **KNIGHTS OF COLUMBUS INSURANCE**

### **DISABILITY INSURANCE**

Have you ever sat down and thought about disability? or how quickly a debilitating injury can strike and the problems associated with not being able to earn a living?

If you haven't thought about it, you should. The chance of a long-term disability between the ages of 30 and 65 is three times greater than dying prior to the age of 65.

Weather you are married or single, everyone needs to protect his income in the event of a disability. That makes a disability Insurance every bit as important as life insurance.

Don't squander your savings and other assets if an injury were to prevent you from working and earning a living. Buy disability insurance today, and insure your income.

Call me today for an appointment. John Ross. @ 386-0145
