KNIGHT LIFE

FROM THE FRONT LINES:

Dear Friends for Life,

Thank you for your continued participation in 40 Days for Life. Great things have been happening as a result of your steadfast prayer.

On Tuesday a couple leaving the Women's Center let the pray-ers know that they did not stay for the abortion they had come for and had chosen life for their child. On Thursday a woman went into the Women's Center determined to have an abortion. As she waited inside something happened that broke her determination. We don't know what changed her mind, but shortly after arriving she and her boyfriend left with their unborn child still safely hidden in it's mothers womb. These women did not read any of the pro-life literature offered to them or speak with a sidewalk counselor. God saw the obedience of his children, and hearing their faithful prayers, stirred stubborn hearts.

Also during the week, a woman went to the Women's Center for an ultrasound. Luckily, someone was available to let her know that Grace Pregnancy Resource Center could arrange for her to have a free ultrasound at a place that offers real help, not a sales pitch. The woman left the Women's Center and had her ultrasound elsewhere. This woman was considering aborting her child or she would not have made an appointment for an ultrasound abortion facility. If she had her ultrasound at the Women's Center, they would have done all they could to convince her to abort. Thank God she was redirected and able to find help.

Yesterday one of the staff members at the Women's Center shared with those present at the vigil that she had been doing a lot of thinking and knew that she had to get a different job. The Lord is working on her heart! Let us pray that He gives her a great sense of urgency to leave her job at the Women's Center and that she will be gone before the end of this 40 Days for Life.

This morning a sidewalk counselor was able to redirect TWO abortion minded women to Grace Pregnancy Resource Center for help. What a week!

Don't stop now! These last two weeks of 40 days are so important, and the vigil is in great need of prayer warriors. Out of the 350 remaining shifts, only 150 are filled. Please sign up for a time slot on the vigil schedule and encourage others to do the same. Let's not grow weary now, but stand together as never before to see God's harvest of righteousness and lives saved. May God grant us perseverance in our commitment to defend life and bless our efforts.

Knight of the Month:

Family of the Month:

Dino and Cindy Bertoli

Brother Knights,

Last Friday we had an incident at the abortion clinic on Welshwood. We still have many time slots that are not being filled. If not for Assumption Church, Thompson Station Baptist Church and the people at Tennessee Right to Life, most of the time slots would be empty.

Friday afternoon (Oct. 16th) 2 elderly Sisters of Mercy came out to pray at the abortion clinic. There was **no one** there to instruct them on what to do. No other people were up there praying.

So, the Sisters get **on** the abortion clinic property to pace and pray in **their** parking lot. The oldest one goes up to the door and goes in and asks "Is this where we come to pray?"

That's when all Hell broke loose. No one was arrested but they could have been.

We need our leadership out there. If not our Clergy, then the Knights must lead. I've stayed at Grace the past 2 weekends and it **has been busy**. We **are** making a difference. We have 2 more weeks to go. Please come out and support us. Read Jane's e-mail on the front and sign up.

We've had 4 people from St. Stephen's to come out so far. If a 70 year old grandmother can stand outside in the pouring rain, I'm sure hoping a Knight can stand alongside her.

Defending the Right to Life

Resolution Defending the Right to Life adopted by the 127th Supreme Convention on Aug. 6, 2009.

WHEREAS, during an audience with the Supreme Board of Directors in October 2008, Pope Benedict XVI personally appealed to the Knights of Columbus to “defend the moral truths necessary for a free and humane society, including the fundamental right to life of every human being;” and

WHEREAS, that fundamental right to life is under attack throughout the world in rich and poor countries alike; and

WHEREAS, the U.S. Congress is now considering health care legislation that would accomplish by stealth many of the aims of the so-called Freedom of Choice Act, including federal funding of abortions for the first time since adoption of the Hyde Amendment in 1976; and

WHEREAS, a Knights of Columbus-Marist Poll conducted in May 2009 shows that 86 percent of the American people favor placing restrictions on abortion; and

WHEREAS, the Canadian Parliament will soon consider a measure to legalize assisted suicide; and

WHEREAS, international governmental and non-governmental agencies are attempting to force countries like Mexico, Poland and the Philippines to permit abortion on demand; and

WHEREAS, many other means of attacking and devaluing human dignity, including assisted suicide, euthanasia, and embryonic stem-cell research are becoming more widespread;

NOW THEREFORE BE IT RESOLVED, that the Knights of Columbus reaffirms its commitment to unconditional support for the right to life and full protection in law for every human being from conception to natural death; and

FURTHER RESOLVED, that we strongly oppose any effort to repeal the Hyde Amendment and other restrictions on taxpayer funding for abortions in the United States, and oppose any health care reform legislation that does not explicitly exclude abortion coverage for any health insurance plan, public or private; and

FURTHER RESOLVED, that we call upon legislators everywhere to adopt legislation protecting the religious conscience rights of doctors, nurses and other medical professionals, guaranteeing their right to refuse to participate in abortion, euthanasia, assisted suicide or any other practice that is destructive of innocent human life or that conflicts with their sincerely-held religious beliefs; and

FURTHER RESOLVED, that we reaffirm our long-standing policy of not inviting to any Knights of Columbus event, persons, especially public officials or candidates for public office, who do not support the protection of unborn children against abortion or who advocate the legalization of assisted suicide, euthanasia and other violations of the right to life, and of not allowing such persons to rent or otherwise use facilities over which we have control, and of not bestowing on them honors or privileges of our Order of any kind, inviting them to serve as honorary chairpersons of events, celebrations or committees, speak at Knights of Columbus events, or hold any office in the Knights of Columbus.
