**PROTECT THE FAMILY:**

**The object of the offensive line is to protect the quarterback. To do this, the line must be strong and reliable. Your family must also be protected. The one thing that will protect them the best is strong and reliable life insurance. With life insurance, your family will be protected from financial disaster in the event of your death. They can continue to live as you would want them to live. And they would have you to thank for it. Score a touchdown for your family and buy life insurance. Call me for an appointment today!**
