

## Creating a Knights of Columbus New Member Welcome Package

Following are the contents of Holy Family Council 6099 welcome packet for new members. It is always a good idea to include **a large manila folder** (9x12 or 10x13) to hold all of the items included in the packet except for the T-shirt and 1<sup>st</sup> Degree certificate. You can put all the contents into a paper or clear plastic bag. Plastic looks better and is better to display.
