

Worthy Brother Knight,

A resolution was passed at the 103<sup>rd</sup> State Convention to Enthroned the Sacred Heart of Jesus in the State Council thereby proclaiming our devotion to and reliance on the infinite mercy of God. The convention also recommended this public display of our love of God to the subordinate Councils.

Therefore a check list and a Rite of enthronement are provided in this web page. Please feel free to make use of these resources to dedicate your Council to the Sacred Heart of Jesus. The State Church Director and the State Staff are ready to help you in this effort. Let us know when you would plan to enthrone Jesus in your Council.

The check list describes each action item your council should do in preparation for the great day. If you are not completely sure of the steps, please call me, the Church Director, Eric Pelton 423.622.3156, or e-mail at [eric@ejpelton.com](mailto:eric@ejpelton.com). Good luck .

God Bless.,

Eric
